BLACK MIRROR

2019   TV-MA   5 Seasons

"Waste Away"

A machine used for all medical diagnoses in the nation fails to detect a patient's rare form of cancer, leading to a treatment that escalates their condition. By the time the doctor is informed of the model's failure, the sudden decline of their patient's health, and their staff's inaction, they can do nothing but watch as their fatal mistake forces their patient to waste away.

Creators: Nicholas Tam, Jingyuan Liu
